Snapshot of Current GRHC Services During the Pandemic

Gila River Health Care (GRHC) remains focused on the health and wellbeing of our patients and the Gila River Indian Community (GRIC). During the height of the COVID-19 pandemic, GRHC implemented multiple changes to our available service lines and continues to provide essential services to GRIC during the COVID-19 pandemic while maintaining COVID readiness. These services are subject to change as we continue to deal with the virus.

The Gila River Health Care Podiatry Department at the Hu Hu Kam location was established in 1987 and has grown to be one of the most respected programs in all Indian Country. The podiatry team consists of six full-time and one part-time podiatrist, a nursing manager, two wound-care nurses, one pedorthist (shoe insole maker and shoe modifications), eight medical assistants, one front-office assistant, and one department support assistant. The Komatke Health Center Podiatry Department has been serving Districts 6 and seven since 1998. The current KHC podiatry team consists of two full-time podiatrists, one wound care nurse, two medical assistants, and a department support assistant. The Hau'pal (Red Tail Hawk) Health Center Podiatry Department began serving the community in July of 2018. The Hau'pal Podiatry team consists of five full-time podiatrist, two wound care nurses, four medical assistants and one department support assistant. All locations provide comprehensive foot care to patients of all ages. Our clinical services include diabetic limb salvage, general foot exams, routine or preventative foot care, nail laser clinics, orthotics, pediatric screening, pediatric and diabetic shoe programs, casting, therapeutic injections, nail procedures, management of infections, treatment of broken bones, treatment of musculoskeletal issues, and surgical procedures. Our wound clinic provides superior care via the latest advancements in technology and supplies. It is recognized as one of the top programs in any Native American facility. Our surgical podiatry team performs a wide array of surgeries: from elective surgeries to correcting deformities all the way to limb-saving procedures.
