STYLE

THE SIXTIES SHIFT

Throw it on with youthful insouciance and you have the perfect evening outfit for A/W 14. Black velvet studded dress, \$11,095. Saint Laurent by Hedi Slimane

8

THE KNEE-HIGH BOOTS

If you must wear a heel this autumn, make sure it's on a shiny and super-chic knee-high boot - also great for streamlining legs under the new mid-length skirt. Black leather boots, €260. Gucci

2

THE ROLLNECK SWEATER

Not just for layering but a statement in itself, the rollneck is autumn's must-have piece, whether fine-gauge and form-fitting or pleasingly slouchy. Cashmere sweater, €475. Ralph Lauren Black Label

3

THE MID-LENGTH SKIRT

We've had our eye on it a long time, and now we're sure: there's no escaping the mid-length skirt for A/W 14. Although we rarely disagree with Coco Chanel, in this case, elegance does not lie in refusal. Wool skirt, from a selection Boss
