City begins 2022 redistricting process

Drawn once every 10 years, the new maps will take effect in 2023

Houston City Council last week approved a resolution that outlines principles for the 2022 City Council redistricting process based on population data from the 2020 Census.

Each City Council district will host a town hall meeting to explain the redistricting process and to allow members of the public to give input to the city on how they want their district to look in the future. There will be multiple opportunities for residents to comment and get updates.

Each district's traditional Capital Improvement Project (CIP) meetings will follow the redistricting town hall meetings at the same scheduled time and locations. "We are privileged to live in one of the most wonderfully diverse cities in the world," said Houston Mayor Sylvester Turner. "As Houston continues to grow, we must ensure fair and equitable representation for all Houstonians."

The redrawn districts will aim to do the following:

- Maintain relatively equal population numbers.
- Be composed of whole county voting precincts.
- Have easily identifiable geographic boundaries.

- Retain integrity of neighborhoods or communities of interest.
- Be compact and contiguous.

Metro hit again by catalytic theft

At least 15 catalytic converters were stolen from cars parked at the METRO Fuqua Park & Ride Monday, April 11, according to the METRO Police Department. This marked the second time this year thieves have struck this location, as 11 catalytic converters were stolen from the site this past February, according to police.

"Catalytic converter thefts have been on the rise in our area and across the country. These are crimes of opportunity which take advantage of anyone who utilizes a public parking lot," a statement from METRO read. "MPD investigators are using all available resources to help track down those responsible. This includes reviewing surveillance video and working with law enforcement partners."

Anyone with information on this crime is urged to call the METRO Police at 713-635-4000.

- Avoid packing or cracking.
- Preserve incumbent-constituency relations.

Timeline

- May 2022: Following the completion of the town hall meetings in May, a draft redistricting plan will be completed and presented to City Council.
- June-July 2022: Three public hearings will take place at City Council. This is an additional opportunity for the public to ask questions and provide input or suggest alternate plan. Those meetings are tentatively to be held on July 13 at 9 a.m., July 13 at 7 p.m. and July 20 at 9 a.m.
- July 2022: A revised redistricting plan will be presented to City Council.
- August 2022: City Council considers ordinances related to redistricting.
- September 2022: City Council ratifies ordinances related to redistricting.
- November 2023: Boundaries of new Council Districts go into effect.

Submitting a redistricting plan:

The public is encouraged to submit a redistricting plan. Residents may propose that certain voting precincts, neighborhoods, or locations be included in a specific district.

All plans submitted to the city for consideration must:

- Be in writing.
- Be based on the 2020 federal census.
- Redistrict the entire city so that Council may

assess its impact on protected minority groups.

- Conform to redistricting criteria in Sec. 3 of the City's Redistricting Resolution.

In order for the city to properly analyze any plan, it must be submitted by the last public hearing in City Council.

The Planning and Development Department will set up a computer with the redistricting software installed its offices at 611 Walker Street, sixth floor. City staff will also lend technical assistance to anyone interested in creating a redistricting plan.

To make an appointment, contact Rupesh Koshy at rupesh.koshy@houstontx.gov or 832-393-6552.

Town hall meetings

An important early step in the process is the series of town hall meetings that will occur in April and May of 2022. These meetings will be conducted in person.

Meetings are scheduled in each City Council district but anyone can attend any meeting, regardless of their home address.

The two Council districts in the immediate South Belt area – District D and District E – will hold their town hall meetings on May 9 and May 18, respectively.

District D City Council Member Carolyn Evann-Shabazz will hold her town hall meeting at the Houston Community College South Campus, located at 1990 Airport Blvd., while District E

City, County to begin 2nd booster shots

Eligible individuals may now get their second COVID-19 booster shot at multiple city and county locations.

City of Houston

People eligible for the added protection of a second COVID-19 booster shot can now receive it at Houston Health Department vaccination sites.

People over the age of 50 and certain immunocompromised individuals who received an initial booster dose at least four months ago are eligible for another mRNA booster, based on updated FDA authorization and CDC guidance issued this week.

"Data show that protection from COVID-19 vaccination is waning over time for older and immunocompromised people," said Dr. David Perse, chief medical officer for the City of Houston. "It's vital for these groups, who are at increased risk of getting seriously ill, to stay up to date with vaccination, and that now means a second booster."

Houstonians over the age of 50 account for approximately 85% of the city's COVID-19 deaths, based on recent data from the health department.

"Our city has done a great job lowering the positivity rate and increasing the overall vaccination numbers. Let's keep up the great work. I plan to get a second booster later this year, and I encourage all eligible individuals to take advantage of this opportunity to get a second COVID-19 booster shot," said Mayor Sylvester Turner. "I also want to thank the Houston Health Department for continuing to provide important vaccinations and testing services throughout the community."

Compared to adults in Texas with a booster dose, unvaccinated adults in Texas were 11-times more likely to test positive for COVID-19 and 55-times more likely to die of a COVID-19 associated illness, according to recent Texas Department of State Health Services data.

The guidance for a second booster dose is as follows:

- A second booster dose of the Pfizer-BioNTech COVID-19 Vaccine or Moderna COVID-19 Vaccine may be administered to individuals 50 years of age and older at least 4 months after receipt of a first booster dose of any authorized or approved COVID-19 vaccine.
- A second booster dose of the Pfizer-BioNTech COVID-19 Vaccine may be administered to individuals 12 years of age and older with certain

Three senior staffers for Harris County Judge Lina Hidalgo were indicted Monday, April 11, on charges that they helped steer a controversial COVID-19 outreach contract to a small company with Democratic ties.

Alex Triantaphyllis, Hidalgo's former deputy chief of staff who now serves as chief of staff; Wallis Nader, the judge's deputy policy director;

and Aaron Dunn, a former top advisor who recently stepped down, each face one count of misuse of official information and one count of tampering with a government record – all felony charges.

Study shows homelessness decreasing

A joint city of Houston and Harris County program has made significant progress in addressing homelessness during the pandemic. Independent data recently released by the Coalition for the Homeless showed a 21 percent decrease in homelessness from January 2020 to January 2022.

The decrease directly results from the Community COVID-19 Homeless Housing Program, a joint city and county program launched in October 2020. Instead of primarily utilizing shelters and short-term motels to mitigate the impacts of the pandemic on the homeless population, the city and county strategically deployed permanent housing as its infectious disease response within the homeless community. During the first 14 months, the program housed more than 7,000 individuals experiencing homelessness or who

were at risk of becoming homeless.

"Reducing homelessness by over 20 percent in just two years is a massive achievement. To do it during a pandemic is unheard of and truly remarkable," said Houston Mayor Sylvester Turner. "By utilizing housing with supportive services, we immediately protected folks experiencing homelessness from the pandemic while achieving the long-term impact of reducing homelessness. The data shows our strategies and programs are on the right track, and our invaluable partnership with Harris County and the community is working. While we are proud of the program's progress, we are committed to working with our partners to do more."

The city and county jointly funded the Community COVID-19 Homeless Housing Program

In My Opinion

Former Dobie principal, supports PISD bond

As the former principal of J. Frank Dobie High School for the previous 10 years, I wanted to take the time to reach out to the SouthBelt Community regarding the upcoming Pasadena ISD Bond Election on May 7.

The students of Pasadena ISD, particularly those who are served by the PISD schools in SouthBelt community, deserve the very best. At Dobie for years, we promised our parents and students three things: 1) to keep every student and staff member as safe as possible; 2) to provide every student with a quality education to better prepare them for post-secondary success; and finally 3) to give each student an opportunity to have an ultimate high school experience.

I know without a doubt that our current principals in the South Belt and in all PISD make those same promises and are committed to those same standards for all of our students. As I look at all three propositions and what is listed in each of them, it speaks volumes to the ensuring of these promises and that all our students are provided the very best as they go through the PISD school system.

I encourage all voters in the South Belt, whether you have children in the district or not, to get out and vote either on May 7 or during early voting; and vote YES for all three propositions of 2022 Bond. A YES vote will be a vote to ensure the safety, the quality education, and an ultimate experience that all PISD students deserve.

Franklin Moses
Former Dobie HS Principal
2012-2021

Former Dobie principal, supports PISD bond

Friends and neighbors in Pasadena ISD, I find the announcement that PISD has proposed a \$305 million bond election for the continued growth and development of our district facilities and infrastructure extremely exciting news!

Vote Yes for Propositions A, B and C! Per Texas legislative requirements the bond initiative is divided into three Propositions – A, B and C.

Proposition A is an investment into school facilities with the primary focus being to replace four 60+ year old elementary schools with new state-of-the-art campuses. The parents and students in the communities for Bailey, Jessup, Parks and Williams Elementaries will be proud of their

new educational environments. In addition, there will be across the district modernization and renovations to heating, ventilation, electrical, plumbing and LED lighting upgrades as well as an infusion of capital for needed fine arts equipment, culinary infrastructure, classroom labs and transportation including new buses. Of great import to all parents, there will be a significant upgrade to the security video, access control and alarm systems throughout the district.

Proposition B is a needed win-win investment in classroom technology that will benefit students across the district with important networking and infrastructure. The enhancements will prove to be a cost-saver as the district will become eligible for subsidies and discounts of 20 to 90 percent on eligible bandwidth services as the district will qualify for the valuable E-Rate discounts.

Proposition C is a timely investment to renovate and modernize some of the athletic facilities. The highlights include efficient LED lighting at Maguire Baseball Field, the Auxiliary Stadium and the Softball Complex. Replace the stadium track at the Auxiliary Stadium and, installation of new turf fields at Maguire, Auxiliary and the Softball Complex.

The cost of this investment is a proposed \$0.03 cent tax rate. This would not impact our senior citizens as their tax rates are protected.

I applaud the district for its continued investment into Pasadena Schools. This is a comprehensive and fiscally sound plan to address areas of need within our schools. Also, it is a continued planned strategy of district leadership to invest in areas of need in an impactful yet cost conscious way.

I ask you in the PISD community to join me and support this investment into our children. I am fully in favor of these bond initiatives!

OUR children will be the BENEFICIARIES as they aspire towards a GREAT EDUCATION. Our community will benefit as Pasadena ISD continues its ascension in providing one of the best educations in the State of Texas.

Show your support at the polls.
VOTE YES FOR....

Proposition A.
Proposition B.
Proposition C.

Early voting is April 3 - May 3, 2022
Election Day is May 7, 2022

Nehls holds 2022 art contest

U.S. Rep. Troy Nehls, whose House District 22 represents much of the South Belt community, is inviting area students to enter the 2022 Congressional Art Competition, which is currently accepting submissions. The closing date is Monday, April 25.

Each spring, a nationwide high school arts competition is sponsored by the members of the U.S. House of Representatives. The Artistic Discovery Contest is an opportunity to recognize and encourage the artistic talent in the nation, as well as in the 22nd Congressional District.

The Artistic Discovery Contest is open to all high school students in the district. The winning artwork of the district's competition will be displayed for one year in the U.S. Capitol. The exhibit in Washington will include the winning artwork from all participating districts from around the country. The winning artwork is also featured on House.gov's Congressional Art Competition page.

The theme for this year's contest is "Home to you in Texas 22". The following is a summary of the Congressional Art Competition rules:

– Computer-generated art.
– Photography.
All entries must be original in concept, design and execution and may not violate copyright laws. Any entry copied from an existing photo or image that was created by someone other than the student is a violation of the rules and will not be accepted. Work must not be a scanned reproduction. Submissions will be accepted online only. A high-resolution image of the artwork and application should be emailed to TX 22ArtComp@mail.house.gov and arrive no later than Friday, May 6.

The top five from each category will be on the District 22 website for constituents to vote on. Voting will be from May 16 to May 20. The winner will be announced in early June.

Records indicate the Hidalgo staffers were in regular contact with Pereyra and even allowed her to review and revise the scope of the project in advance of its public announcement.

County officials had reportedly been in touch with Pereyra as early as Jan. 14, 2021, while the bid on the contract was not made public until more than one month later on Feb. 19, 2021.

At press time, Triantaphyllis and Nader remained employed under Hidalgo, despite the criminal charges.

According to investigators from the Harris County Precinct 2 Constable's office, the store, along with several others in the Houston area under the same ownership, were allegedly selling large quantities of Kush, a synthetic marijuana product. An investigation conducted by Precinct 2's Special Operations Division and a special unit from the Houston Police Department determined three area stores were part of the citywide ring, including a

store in the 500 block of FM 1959 (Dixie Farm Road) and a previously closed store on the Gulf Freeway, in addition to the store located at the corner of Beamer and Hughes.

A search warrant was executed on all three stores on Wednesday, March 29. The raid on the Dixie Farm store resulted in a large seizure of Kush and multiple arrests. Investigators believe the store at Beamer and Hughes had been previously vacated as the result of heavy police presence.

Former Houston Gateway Academy Superintendent Richard Garza was sentenced to five years in prison for stealing hundreds of thousands of dollars from the campus. In 2019, Garza was charged with one count of conspiracy, two counts of theft concerning programs receiving federal funds, three counts of wire fraud and two counts of engaging in monetary transactions involving criminally acquired property. Houston Gateway Academy IT specialist Ahmad Bokaiyan faced one count of conspiracy and three counts of wire fraud. The pair were accused of stealing more than \$250,000. According to investigators, Garza awarded a \$280,841.85 no-bid contract in 2014 to a company owned by Bokaiyan called Hot Rod Systems to build an IT system at the new campus, even though construction at the school had yet to begin. Bokaiyan then allegedly wired \$164,381 into Garza's personal bank account. Investigators alleged that Garza used these funds to purchase a condominium and a vehicle and pay toward a home loan. In addition to his prison term, Garza must spend three years on supervised release and pay a \$20,000 fine, as well as \$191,292 in restitution to the Texas Education Agency. Bokaiyan was sentenced in 2019 to five years probation and ordered to pay more than \$150,000 in restitution.

According to Harris County Precinct 5 deputies, Chapman, 19, was a passenger in a vehicle traveling on the tollway around 2 a.m. when she was struck by a wrong-way driver. Four other people were reportedly inside the car at the time of the accident, three of whom were transported to the hospital in critical condition. Investigators said the wrong-way driver, Bobby James Brown, was "highly intoxicated" at the time of the crash. Brown, 32, was charged with one count of intoxication manslaughter and three counts of intoxication assault. Chapman, a Dobie graduate, attended Dobie between 2016 and 2020. SPORTS NEWS & NOTES

Areas come April 22 Track finals underway

The District 24-6A Track and Field Championships got underway April 11 as Clear Brook field event competitors battled to keep their seasons alive.

The 24-6A running event finals were then held April 13 after press time, with the top four finishers in each event then moving on to the District 23-6A/District 24-6A Area Championships April 22 at Alief ISD's Crump Stadium.

As for the District 22-6A Championships, the two-day event was held April 13-14 after press time.

The 21-6A/22-6A Area Championships will come April 22 at Deer Park ISD's Abshier Stadium.

See the full district track recap in the *Leader's* April 21 edition.

The District 24-6A Varsity Track and Field Championships began April 11 as Clear Brook's Kennedy Thompson won the discus event at Challenger Stadium in Webster. The running finals were held April 13 after press time as athletes aimed to qualify for the 23-6A/24-6A Area Championships April 22 at Alief ISD's Crump Stadium.

Dobie softball aims at 20th overall win

Dobie's next win will give the program four straight seasons of 20 or more wins (2020 pandemic-shortened season excluded) as the Lady Longhorns build momentum toward what they believe will be another deep playoff run.

At 19-9 overall heading into an April 12 battle at Deer Park after press time, the locals are locked tightly into no worse than a No. 2 playoff seed at 7-1 overall in District 22-6A action.

Deer Park, the defending Class 6A champion, handled Dobie in the first round, but that's been the lone blemish for the locals as they aim to better a 2021 regional quarterfinal playoff berth.

Dobie has produced double-figure runs in six of its seven league wins and nine in another.

In a 15-0 win against Pasadena April 8 in a game that lasted just four innings, Dobie got two hits each from Karlie Barba, Gabby Galvan and Marisa Perla.

With Barba tripling twice and Perla adding a triple of her own, the Lady Longhorns had six extra-base hits altogether in the win.

With games against Memorial, Sam Rayburn and South Houston com-

ing to close out the regular season, the Lady Longhorns should be able to build momentum heading into the postseason, with the games taking on more meaning. It's the time of the season when Dobie is at its best.

Junior two-way standout Marisa Perla (11) will continue to play a key role down the stretch of the regular season and into the playoffs as Dobie seeks another deep playoff run. Photo by Donna Alsdorf

Dobie's Nguyen at RIII tennis

Dobie's Brian Nguyen represented the Longhorns at the Region III Spring Tennis Championships April 12 at Deer Park High School, with the Longhorns' co-captain falling 6-1, 6-0 to Clear Falls Lucas Hornung in a first-round boys' singles matchup. While Nguyen was a second-place finisher at the District 22-6A tournament en route to regionals, Dobie produced a bevy of third-place finishes at district. Those finishes included Hailey Maldonado, third place girls' singles; Tiffany Tran and Natalie Vo, third place girls' doubles; Megan Rodriguez and Lael Martinez, third place mixed doubles; Andrew Huynh and Dominic Ortiz, third place boys' doubles.

San Jac's Hollan is perfect against Blinn

San Jacinto College sophomore left-hander Hunter Hollan (center) celebrated with head coach Tom Arrington (left) and pitching coach Woody Williams after Hollan spun a five-inning perfect game against Blinn April 7 in Region 14 play. Hollan, who threw a seven-inning no-hitter as a freshman

in 2021, this time struck out nine over the five innings as the Gators defeated the Bucs 12-0 in the game. As of press time April 12, the Gators had won eight straight games and stood at 30-14 overall, including 18-7 in conference action. Hollan has signed to attend Texas Christian University.

Lake baseball nips Wolverines 2-1

Clear Lake tightened the race toward the varsity baseball playoffs following a 2-1 win over Clear Brook April 8 at Wolverine Field.

The Falcons plated a run in the top of the seventh inning, and starting pitcher Ryan Saunders finished off a complete-game effort in the bottom half of the frame. With the loss, the Wolverines slipped to 3-4 in 24-6A action with five games to play down the stretch.

Dobie's Ramirez an All-Star

Dobie's Victoria Ramirez has been selected to compete in the Greater Houston Area Basketball Coaches Association All-Star Game April 23 at Wheeler Field House, with tipoff at 2 p.m. Ramirez, the two-time District 22-6A Most Valuable Player for the Lady Longhorns, will play collegiately at Georgetown University beginning this fall. Ramirez also joined Dobie teammates Kendall Brown and Ashley Pham as Texas Girls' Coaches Association 2021-2022 Academic All-State honorees in the Class 6A ranks.

San Jacinto College softball maintains conference lead

Daryn Grams threw a five-inning shutout as San Jacinto College salvaged a doubleheader split April 9 with a 9-0 win over Blinn, giving the conference-leading Coyotes an 11-3 mark in Region 14 play.

Gabby Cantu singled twice, scored two runs and knocked in a pair as San Jacinto needed just five frames to win by run-rule.

Abbie Forrester and Juls Garcia had two hits

each, and Maddy Bailey scored twice as the locals bounced back from a 4-1 loss in the first game as Blinn's Chloe Mason allowed just two singles.

San Jacinto College is 29-12 overall this season with a one-game lead over Angelina just past the midway point of Region 14 South Zone play.

The Coyotes appear to be rounding into form at the perfect time of the season.

Lajaunie tennis event to start play April 29

Registration is ongoing for the 11th annual Darren Lajaunie Memorial Tennis Tournament, returning April 29 through May 1 at the Harry Taylor Tennis Center in Pasadena.

Event organizers are also continuing event sponsorship and fundraising efforts as the 2022 tournament nears, with auction items being collected to assist with opening night activities.

The tournament honors Lajaunie, a Dobie High School graduate and adult tennis enthusiast who died following a bout with cancer in 2011.

The tournament scholarship fund annually pro-

vides college scholarship monies for Dobie graduates/varsity tennis players as well as youth camp scholarships for HTTC candidates.

To register for the 11th annual event, visit the tournament website at DLtennisscholarships.com or go to universaltennis.com/events/82455.

Fees for singles are \$35 and fees for doubles teams are \$45. There is an additional \$10 fee for non-UTR members.

Sponsorship opportunities are also available on the DLtennisscholarships.com website, or call tournament founder Camille Lajaunie at 281-480-6933.

Cowboys, Cowgirls offer Fitzmorris family funding

The Fitzmorris family, in conjunction with the Sagemont Cowboys youth football organization will present the first annual Mary Beth and Tom Fitzmorris Memorial Scholarship in honor of the longtime South Belt residents and lifelong Cowboys' supporters.

For 2022, the Sagemont organization will present a \$500 education scholarship to deserving class of 2022 high school graduates who were also either members of the Cowboys or Cowgirls in their youth — one each to a male and female.

To qualify, applicants

must have completed at least three seasons within the Cowboys' or Cowgirls' groups.

Prospective scholarship applicants are asked to present an essay detailing their experience with the organization, including planned field or collegiate study and career path post-college.

Applicants must also include a copy of their high school transcripts with the essay.

Scholarship entries may be directed to Cowboys' president Denny Wranich Jr. at denny@sagemontcowboys.com. Entry deadline is May 1, 2022.

Cavazos lifts St. Mary's Rattler softball

Cat Cavazos, who led San Jacinto College to a third-place overall finish at the 2021 National Junior College Athletic Association's Division I Softball Championships, has continued her stellar career at St. Mary's University in San Antonio. Cavazos, a college junior and North Shore High School graduate, improved to 17-1 overall

this season as the Rattlers blanked Texas A&M Commerce 9-0 April 10 as part of Senior Day for the Rattlers. Over 119 1/3 innings this season, Cavazos has pitched to a 2.26 earned run average. St. Mary's, an NCAA Division II program, stood at 32-11 overall heading into play April 14.

Pleasants doubles her fun against A&M

Louisiana State University sophomore Taylor Pleasants had five doubles and a homer during the Tigers' weekend series win at Texas A&M April 8-10. LSU, now 24-16 overall and 5-7 in Southeast-

ern Conference play, won the first two games of the series 2-1 and 11-8 before dropping the finale 5-4. Pleasants, a Dobie graduate, had three doubles in the middle game.

Dobie football's Brooks transfers to OSU Cowboys

At left, Dobie Class of 2020 graduate and two-time 22-6A first-team All-District offensive lineman Jason Brooks has joined the Oklahoma State University football program by way of the NCAA transfer portal and will have three seasons of eligibility remaining with the Cowboys beginning with the 2022 season. Brooks originally signed with the University of Colorado and played one game with the Buffs in 2020 and five more in 2021 before deciding to transfer. Listed at 6-foot-4, 295 pounds, Brooks will have three years of eligibility remaining due to the pandemic. A business major, Brooks said the vibe he got while in Stillwater was the difference for him. "When I went on my visit (last month), it just felt like a good culture. The players and coaches are on the same mission and willing to do whatever it takes. Also, the school is great, they have a lot of options for my future in business."

At left, former Dobie High School varsity football standout Jason Brooks (center), flanked by parents Scheresia Brooks (left) and Jason Brooks Sr., is headed to Oklahoma State University in Stillwater, Okla. Brooks, a three-year starter at Dobie, played a handful of games at the University of Colorado over two seasons before entering the NCAA transfer portal and electing to join Oklahoma State, a Big 12 power. With three seasons of eligibility remaining in all, Brooks is excited to restart his career within head coach Mike Gundy's program. With openings along the offensive front, Brooks entered the spring intent on securing plenty of playing time when the 2022 opens.

Whaley finds fit with U. Pitt Panther softball

Dobie graduate Yvonne Whaley has enjoyed a fine start to her collegiate career at the University of Pittsburgh while playing second base for the Panthers. A senior with still another year of eligibility remaining, Whaley smashed her first home run of

the season April 10 against Clemson and had hits in eight of her last 10 games. A District 22-6A Most Valuable Player while at Dobie, Whaley started her career at Texas Tech University but joined Pitt via the transfer portal last offseason.

PISD Athletics Hall of Fame returns April 29

In 2020, COVID closures across the nation prompted the Pasadena ISD Athletics Hall of Fame (HOF) committee to postpone the organization's annual induction banquet and rethink ways to safely host the event.

A year passed and venues began to reopen as the number of COVID cases steadily decreased. Determined to keep traditions strong and honor HOF inductees in the safest way possible, the committee decided to rethink, restructure and reboot the induction banquet at a new location.

On the 10th anniversary of the Pasadena ISD Athletics Hall of Fame, the event will induct 10 HOF recipients at the Pasadena Convention Center on Thursday, April 28, 2022, at 6 p.m.

"Our committee is planning a fun and safe induction banquet event for our honored inductees and guests.

"We appreciate the support and patience of our sponsors and ticket holders. This should be a great evening of fellowship and celebration of the inductees with Pasadena ISD leaders, alumni, friends, supporters from the business community and Pasadena ISD students," said Bill Barmore, Hall of Fame committee chairman.

The Hall of Fame will celebrate and honor the athletic achievements of 10 inductees, including five athletes, three coaches, a family and one team.

The inductees were selected for their exemplary athletics and coaching careers, in addition to inspiring the next generation of college and professional athletes and coaches.

For the first time in Athletics Hall of Fame history, a Pasadena Memorial High School Maverick and former football player will be inducted into the Hall of Fame, along with his family who will also be honored during the event.

With the change of venue, program organizers are optimistic that the event will be a chance to "go big" and do so in the safest way possible.

*初步結果，可能發生變化。

(a) 利息估計為 3.75%，僅用於說明目的。

(2) 本區假設，在未來五年，本區內的應納稅評估價值的平均增長率將達到 3.00%，然後在債券計劃的剩餘期限內保持不變。

(3) 假設待發行債務之利率：3.75%

(4) 依照 Texas 州政府法第 1251.052 節的規定，本選民信息文件是為本選民信息文件中所載之提案（下稱「提案」）編寫的。該提案將根據《關於舉行學校大樓債券選舉的命令》（下稱「債券選舉命令」）呈交給選民。除該提案外，還將根據債券選舉命令，將一項或多項其他提案呈交給選民（該提案及其他提案在此被稱為「提案」）。對本區內佔值達到 100,000 美元的宅基地徵收之稅款，估計每年最高增加額是 19.50 美元。在所有提案獲得批准的情況下，這些稅款將用於依照提案償還待授權的債務。該估計金額乃是基於本區主管機構在為各提案編寫的各選民信息文件中所作之假設。

(5) 假設州政府規定的宅基地納稅減免額為 25,000 美元，當地可選宅基地免稅率為 10%。

(6) 假設宅基地不符合特殊減免的條件，包括但不限於州政府規定的：(a) 老年人和殘疾人的 10,000 美元宅基地納稅減免（其納稅上限取決於房主在獲減免當年的納稅額），及 (b) 以下人士享有的宅基地納稅減免：殘疾退伍軍人及其家屬，陣亡軍人的未亡配偶，以及在執行任務中死亡或受重傷的救護人員的未亡配偶。

(7) 假設擬發行債務有永久學校基金保證。

本選民信息文件中包含的預估數字系：(i) 基於一定的假設（包括上述主要假設以及對發行債券時的普通市場和經濟狀況所做的假設）並根據本區財務顧問的預測得出，(ii) 若債券發行時，普通的實際事實、情況和條件不同於上述假設和預測，則上述預估數字可能有變動，(iii) 僅為滿足 Texas 州政府法第 1251.052 節的要求而提供，不得用於其他用途，亦不保證上述預測能否實現，及 (iv) 無意且明確不構成與選民簽訂合的或限制本區依照本區債券選舉命令之提案而發行債券的權力。

第 4 節。

投票。 該選票應符合選舉法規定，且應寫有或印有以文字：

PASADENA 獨立學區 – 提案 A

贊成) 發行金額為 281,269,000 美元的學校大樓債券，用於建造、收購、復原、翻修、擴展、改善並配備本學區學校大樓，以及購置學校大樓所必需的土地，以及購置新校車。

反對) 並讓徵及徵收充足的稅款以償付債券的本金及利息和任何信貸協議的費用。根據 TEXAS 州教育法第 45.003 節，所有學區債券提案所需的聲明：房產稅有所增加。
