I'm Patrick Harani , and I'm happy to have you here. I'm interested in the vehicle you have advertised on CL. Do you still have it for sale?

Sorry for my late reply , I've been working truly lengthy weeks at work so I will not have the option to meet with you before buy, yet am good with the cost and condition as displayed on the advert, I'll get a certified / Cashier check and mail it to you in full amount and send transport to pick up once it clears is that okay by you ? I will also add an additional \$100 to hold it down for me.. Consider it sold to me and get back to me with the full name and address to mail the check to and asking price.

The truck is out back and I have a Corvette two years restoring my money so no place or .oney if truck needs trans work. In two years I put plastic fuel lines and fuel pump, new tires and has good spare alot of tread. Replaced all universal joints and carrier bearing. Plastic fuel lines go up to manifold I took off a junkyard truck spare lines. AC works good also.

I got to go to the library to do law papers cases. A guy works at hydromatic on side rebuilds transmissions 900 he thinks may be a torque converter which is 160 new.

I'm sorry but who is this?

The guy the 2002 Chevy Silverado you were suppose to look at

Oh ok. Sorry
