Rich Water Nurtured by Forests, Rivers and the Earth

Kin Town is located in the foothills of Mt. Onna and Kin Bay.

It is one of the area's most rich in spring water in Okinawa Prefecture. This is because the rain that pours into the deep forest of Mt. Onna flows down several rivers that flow through Kin Town, or penetrates deep underground and springs out from the lowlands around

The prehistoric people of Okinawa repeatedly migrated in search of settlements near springs. Kin town is also dotted with remnants of these ruins and shell mounds have been found around rivers and near

In the Medieval Ancient Ryukyu period, when people's lives began to shift from fishing and hunting to farming and rice farming, residential areas began to move from the coast to flatlands and slopes. When people began to live, they began to draw water from springs and rivers and dig wells to get the water they needed. The water source secured in this way was

called "Mura-gaa" and the belief of worshiping them known as "Ka-Ugami" was born.

"Mura-gaa" such as "Kin Okawa (Ukkaga)" and "Kintaga River (Kintagaa)", which boast an abundant amount of spring water, remain in the town. Even now when modern day water supply system is wide-spread, people still continue to inherit and worship Kaa for its 道が普及した現在でも使用され、恩 ンタガー)などのムラガ 町内には豊富な湧水量を誇る金武 や慶武田川(キ -が残り、

金武区獅子舞保存会 会長 渡慶次 賀佑さん

毎年旧暦の8月15日に開催される「十五夜遊び(観 月祭)]には、伝統のミルク踊りや獅子舞が公民館の ステージで披露されます。獅子舞の獅子は20kgほど あるので、体力がある若者でないとこの役は務まり ません。体力が衰える前に若い世代にバトンタッチ し、継承していけたら…と思っています。

屋嘉区伝統芸能保存会 会長

伊藝 菊博さん

屋嘉区には「屋嘉恩納節」という舞踊があります。 現在、その踊りの時には、金武町指定民俗文化財(有 形)の「御冠船衣装」(レプリカ)という貴重な衣装を 身に付けています。現在は区で管理し、公民館で保存 をしているのですが、屋嘉区には他にも様々な衣装 がありその詳細が分からないものもあるので、皆様 に情報を頂きながら、県内外の方にも興味を持って もらえるような環境づくりをしていきたいです。

Interview

儀武雄太さん

金武町青年団協議会には150~200人の 会員がいます。青年会最大のイベントは、毎 年7月に開催される「金武町青年エイサーま つり」で、屋嘉・伊芸・金武・並里・中川、5区の 青年会が一堂に集結します。その他には、社 会福祉協議会と合同で行っている独居老人 宅の清掃活動、夏休みやクリスマスなどのパ トロール活動、町内の中学校卒業式や成人式 の手伝いなどの活動を行っています。結婚式 や新築祝い、カジマヤー(97歳の長寿のお祝 い)などの行事の際には「踊れないか?」と依 頼がくることも多いです。私たちの地域に密 着した活動は、沖縄県青年団協議会からも地 域の方々からも評価されています。

ここ数年は新型コロナウィルスの影響で中 止を余儀なくされたイベントも多かったで すが、コロナ禍が明けた時のために清掃活動 は続けてきました。世間では何かと暗い ニュースが続いていたので、新開地を盛り上 げて明るくしていきたいと思いました。

課題もあります。青年会の会員をもっと増や したいと思っているのですが、金武町は若者 が地域から離れる傾向が強いので「いかに青 年会に参加してもらうか」ということを考え ています。金武町をさらに良くしていくため にも、後輩にたくさんのことを引き継いでい かなければなりません。今後も、伝統を守り つつ地域密着の活動を続けていきたいです。

Honed By the 5 Youth Associations

There are youth groups in five wards in Kin: Kin, Namisato, Yaka, Igei and Nakagawa. Every year around the end of the rainy season, Eisaa lessons begin at each youth group. Then, in July, before the Bon festival, all the youth associations gather together to showcase a dynamic Eisaa performance. The

One of the charms of Eisaa is that even within the same town of Kin, the songs, dance styles,

Eisa in Namisato Ward started as a youth club in 1913. It has a history of about 100 years.

Inheriting the tradition from the Taisho period, it received instruction from the Eefubaru Yardui region around 1945, adding Namisato's unique choreography and music to its current form. The bells unique

born in Goeku (now Okinawa City), and it is said that his style was a lineage of Goeku Eisaa.

In Igei Ward's Eissa, you can see scenes where men and women hold hands and dance like folk dances, and unique "Fesi (hayashi words)" can be seen. It is a rare dance that cannot be seen in other

Originally called Ginbaru Eisaa, Nakagawa Ward's Eisaa has a history of about 130 years. Although it was temporarily suspended, many people cooperated and now perform a newly reborn Eisaa. It is said that at first there were three drums and the others were hand dances. After that, the number of taiko drums gradually increased, leading up to the present day. It is also the only one in the prefecture that uses the Usudeeku drum and performs a unique dance that looks like bending and stretching exercises. Kin Town's Eisaa, which attracts many spectators, will continue to be passed down to new

system of "land allocation" in which land was shared by groups came to collapse and farmers who did not own land started to appear one after another. With the surplus labor force increasing mainly in rural areas and the family economy becoming impoverished, Toyama Kyuzo, who was born in Kin Makiri Namisato, appealed to Okinawa Prefecture for a solution through allowing overseas immigration. Narahara Shigeru, who was the governor of Okinawa at the time, did not approve of this at first, but as a result of persistent persuasion by Toyama Kyuzo, the immigration business was finally permitted.

immigrants from Okinawa to Hawaii. At that time, there were 10 people from Kin, including Nakama Tosuke and Yonashiro Kyujiro. They were forced to work hard, but in the same year Hawaii officially became a state of the United States, and with the application of U.S. immigration laws, they were released from contract labor and became free.

Three years later, in 1903, the second group of immigrants to Hawaii formed a group of 45

Toyama, who returned to Japan after six months of research in Hawaii, sent many to be called the "Father of Immigration" and is still respected by the townspeople today.

In Okinawa, due to the land consolidation measures implemented from 1899 to 1903, the

Kyuzo Toyama recruited immigrants to Hawaii, and in 1899, he sent the first 26

people, mainly from Kin, as free agricultural immigrants. The song that later became famous, "I'm going to go to our house upon the five major islands, the world stone of Kin" was composed by Toyama Kyuzo before they left Kin.

immigrants not only to Hawaii but also to North and South America as agents for his immigration company. Toyama, who laid the foundation for immigration in this way, came

金武町屋内運動場

Kin Town Indoor Athletic Field

2023年(令和5年)1月に完成した屋内運動場。野球や サッカーをはじめ、屋外スポーツの雨天時練習場など の活用を予定しています。

An indoor playground completed in January 2023. Starting with baseball and soccer, we plan to use it as a practice field for outdoor sports in the event of rain.

Fully Equipped Professional Facilities

In Okinawa, where the weather is warm throughout the year, many professional sports teams and athletes from Japan professional baseball and soccer teams, as well as professiona l athletes from abroad come for training. Our town is also actively involved in sports conventions and has a full range of sports facilities.

The all-weather Kin Athletics Stadium, which is used by track and field enthusiasts inside and outside the town, has natural grass on the field and can also be used as a soccer field. The Kin Town Baseball Stadium is a natural turf baseball field with seats that can accommodate up to 2,142 people with an electronic bulletin board. The Kin Town Football Center is a full-fledged facility with JFA (Japan Football Association) certified with artificial and natural turf pitches as well as a clubhouse. In addition, there are well-equipped gymnasiums, martial arts halls, swimming pools, tennis courts among others. These facilities all play a central role in urban development through sports.

「當山紀念館」

国登録有形文化財登録!!

當山紀念館は、1935年(昭和10年)に、金武町出身の沖縄移民の父當山久三の偉業を顕彰するため建設された建物です。2021年(令和3年)2月、国土の歴史的景観に寄与していることが文化庁によって評価され、金武町としては初めて国登録有形文化財として登録されました。

Toyama Memorial Hall Registered as a national tangible cultural property!

The Toyama Memorial Hall was built in 1935 to commemorate the accomplishments of Toyama Kyuzo, the founding father of Okinawan immigrants and a Kin native. On February of 2021, the government recognized the influence, geographic and historical background of his feats and registered the memorial as Kin Town's first national tangible cultural property.

重点プロジェクト

「第5次金武町総合計画」においては、町民とともにまちづくりを進めていくことに 主眼を置き、金武町の将来像とまちづくりの基本目標を以下のとおり設定します。

ギンバル訓練場跡地周辺の 活性化の推進

平成23年に返還された米軍ギンバル訓練場跡地は、地域利用施設やヘルスケアセンターなどが整備され、運用が開始されています。また、海岸線にはホテルや複合商業施設の開発、温泉の活用などが検討され、活性化に向けて取り組んでいます。億首川一帯については観光レクリエーション施設の設置やインフラ整備などが進められてきました。今後は各施設の連携を促進し、自然に配慮した魅力的な観光エリアの創出、新規事業機会の拡大、若者の雇用など、地域活性化の実現に向け推進します。

Priority Project

In the "Kin Town 5th Comprehensive Plan", we decided to promote town development together with our townspeople. We therefore set the future image of Kin Town and the basic goals of community development as follows.

.....

1 Promotion of Invigoration of the Area Around the Gimbal Training Ground Site

In 2011, the former site of the US military's Gimbal Training Ground was converted into a community-use facility, a health care center, among others and began operation. In addition, development of hotels and commercial complexes along the coastline, utilization of hot springs are being considered and efforts are being made to revitalize the area. In the Okukubi River area, construction of tourism and recreation facilities and infrastructure development have been promoted. In the future, we will promote cooperation among these facilities, create an attractive tourist area that takes consideration of the surrounding nature, expand new business opportunities and promote employment of young people among others, to realize regional revitalization.

🤈 人材育成の推進

教育現場における少人数学級編成、英語教育課程特例 校の指定など、義務教育の改革に取り組むと同時に、 伝統芸能継承への支援を行い、教育、地域、産業におけ る人材育成を行ってきました。今後も継続しながら、 金武町独自の個性や独自性を育んでいきます。

2 Promotion of Human Resources Development

While working to reform compulsory education, such as organizing small classes and designating schools with Special English Courses, we have supported the succession of traditional performing arts and developed human resources in education, communities and industry. We continue these measures to further nurture Kin's uniqueness and specialty.

3 町内雇用の創出促進

高い完全失業率を改善するために、平成27年就活支援センターを設置し、資格取得のための講座の開催、キャリア教育などの人材育成を図り、企業への就業斡旋に取り組みながら、新たな産業の創出や企業の支援も進めています。

3 Promotion of the Creation of Local Employment

In order to improve the high unemployment rate, the Job Hunting Support Center was established in 2015, holding lectures for obtaining qualifications, developing human resources such as career education and providing other measures. While working to introduce new employment to companies, we also promote the creation of new industry and support for companies.

「道の駅(仮称)」整備の推進

平成27年に「金武町道の駅(仮称) 基本計画策定委員会」を発足し、 建設予定地の選定や基本コンセ プトなどを協議しています。そし て地域の独自性や主体性を発揮 できる魅力的な産業振興の拠点 施設として整備し、地域産業の活 性化に取り組む予定です。

......

4 Promotion of Establishment of a "Road Station" (tentative name)

In 2015, the "Kin Road Station (provisional name) Basic Planning Committee" was established to discuss the selection of the planned construction site and the basic concept. We plan to develop the project as an attractive base facility for industrial development that can demonstrate the uniqueness and independence of the region to revitalize local industrial.

一産業の振興-

Town Development Towards a Vibrant Industry Promotion of Industry

ともにつくる 魅力あるまちづくり

―行財政の推進―

Building an Attractive Community Together Promotion of Administration and Public Finance

Basic Goal 1

For a Healthy and Cheerful Town Development

In order for our townspeople to live a lively and healthy life, centering on the three pillars of "Promotion of Childcare Support", "Promotion of Health and Various Welfare Measures", and "National Health Insurance", we will develop a town supportive of bearing and raising a child. Working on community development where all local children, people with disabilities and elderly people can live safely, we strive for the maintenance and promotion of our townspeople's health.

子育て支援の推進

子どもを産み育てやすいまちづくりのために、子育て 環境の整備と、子育て家庭への支援を充実させていま す。また質の高い幼児教育の実施に向け、小学校への接 続カリキュラムを適宜見直し、福祉部局と教育部局の 連携を図ります。

Basic Measure 1 Promotion of Child Care Support

To create a town that is supportive to bearing and raising children, we are improving our child-rearing environment and enhancing support for families raising children. In addition, in order to implement high-quality early childhood education, we will review the curriculum leading to elementary schools as appropriate and work to coordinate with our welfare and education departments

健康増進・各福祉施策の推進

自助・共助・公助の考え方に基づいたコミュニティづく りや地域活動の充実を図り、町民誰もがのびのびと暮 らせるまちづくりを進めています。また、各年代の健康 課題に応じた環境整備及び保持推進、交流や活動の場 づくりにも努めています。

Basic Measure 2 **Health Promotion and** Various Welfare Measures

Promoting community development based on the concept of self-help, mutual assistance and public assistance, as well as enhancing local activities to create a town where everyone can live comfortably. We are also striving to improve and promote the maintenance of the environment according to the health issues of each age group, to create opportunities for interaction and activities

生活環境の整備

町営住宅の建て替えにより、若年層を含めた地域定住化 を図ります。また、害獣や害虫対策、環境美化事業を展開 し、環境衛生の向上を進めます。

Basic Measure 1

Improvement of Living Environment

By improving our town-run housing, we will attempt to increase further permanent residents including younger generations. In addition, we will promote the improvement of environmental sanitation via increased vermin and pest control and environmental beautification projects.

基本施策3

上水道の整備

安定的な水道水の供給を行う施設の設備充実に努めま す。また、水道事業の安定経営のため、事務の効率化や経 費削減を行い、料金の適正化を検討します。

Basic Measure 3

Water and Sewage Maintenance

We will strive to improve the equipment of facilities that provide a stable supply of tap water. In addition, to stabilize our water supply business, we will improve efficiency of administrative work, reduction in costs and also consider price optimizations.

基本施策5

海岸周辺の整備

ギンバル海岸周辺環境整備事業の円滑な工事の実施を図 ります。また、町の海岸線と金武湾海域の特性をいかし、 海洋性レクリエーションの拠点となる海浜公園の活用を 推進します。

Basic Measure 5

Coastal Region Maintenance

We will work to ensure the smooth implementation of the Gimbaru Coastal Environmental Improvement Project. In addition, we will promote the utilization of the seaside park, which will serve as a base for marine recreation, by taking advantage of the town's coastline and the characteristics of the Kin Bay area.

基本施策7

公園緑地の整備

町内の公園内の付帯施設の改善・改修に努め、観光振興も 含めた公園の機能強化を、関係機関と調整しながら検討し ます。また、公共施設や集落などの緑化も進めています。

Basic Weasure 7

Development of Parks and Green Spaces

We will strive to improve and repair our adjoined facilities in town parks and consider strengthening their functions to include tourism promotion, while coordinating with related organizations. We are also promoting the greening of public facilities and local districts.

基本施策2

道路の整備

観光拠点化による交通量の増加を見越し、歩行者と運転 者の安全確保及び集落間のネットワーク化に努めます。 また、老朽化が進んでいる町道の保全対策にも取り組み

Basic Measure 2

Road Maintenance

In anticipation of an increase in traffic volume due to development in tourism, we will strive to ensure the safety of pedestrians and drivers and establish a network between town districts. We will also work on conservation measures for aging

Basic Goal 3

Creating a Livable Town in Harmony With Nature

and Secure Lifestyle

Developing our Town for a Comfortable, Safe,

Aiming to create a town where townspeople can live comfortably, we are promoting development centering on eight categorical measures

"Living Environment, Roads, Water Supply, Drainage System, Coastal Areas, Rivers, Parks, Green Spaces, Information and Communication."
As these measures are intertwined with each other they will assist in

creating a safe and secure town, and help us to realize a recycling-ori-

基本施策4

下水道の整備

生活環境の基盤整備と環境衛生向上のため、下水道への 接続促進に努めます。また、農家や関係機関と連携を図り ながら、農業集落排水処理施設の運用を進めています。

Basic Measure 4

Sewage System Maintenance

We will strive to promote connection to the sewage system in order to advance infrastructure and the living environment to improve environmental hygiene. In addition, we are promoting the use of agricultural and community wastewater treatment facilities in cooperation with our farmers and related organizations.

基本施策6

河川の整備

河川への赤土流出の防止対策などにより、水質保全対策 を進めます。また治水安全度が向上した億首川について は、体験・活動の場として引き続き活用していきます。

Basic Measure 6

River Maintenance

We will promote water quality conservation, such as measures to prevent red soil runoff into rivers. In addition, we will continue to utilize Okokubi River where the level of flood control safety has improved as a place for experiences and activities.

基本施策8

情報・通信の推進

防災情報戸別受信システムの導入を図り、安全・安心なま ちづくりを進めています。また、行政手続きのオンライン 化を図りながら、公衆無線LAN(Wi-Fi)の整備にも取り 組みます。

Basic Measure 1 Waste Disposal Measures

We will promote the development of a final disposal site for general waste in the Kin district to establish a firm waste disposal system. In addition, by strengthening the promotion of sorted collection and raising awareness for a recycling-oriented society, we will promote waste reduction and resource recovery, while also striving for waste disposal measures that is considerate to environmental conservation.

基本施策2

消防•救急体制

火災予防対策の充実強化と防火意識の普及を図り、 消火活動の妨げとなる恐れのある道路の整備を促進します。また、消防団との連携強化に努めるとと もに、救急・救助体制についても一層の充実を進め ています。

Basic Measure 2 Firefighting and First Aid System

We will improve and strengthen fire prevention measures, spread fire prevention awareness, and promote the maintenance of roads that may hinder firefighting. In addition, we are working to strengthen cooperation with the fire brigade and are further enhancing our emergency and rescue systems.

基本施策3

防災・減災対策及び危機管理

災害だけでなく、感染症や武力攻撃等の新たな危機事象も 視野に入れた総合的な危機管理体制の確立を目指します。 また、危機事象発生時に町民が自主的な避難行動を行える よう、防災意識・危機管理意識の醸成にも取り組みます。

Basic Measure 3 Disaster Prevention/Mitigation Measures and Crisis Management

We aim to establish a comprehensive crisis management system that takes into account not only disasters but also new crisis events such as infectious diseases and armed attacks. In addition, we will work to foster awareness of disaster prevention and crisis management so that residents can voluntarily evacuate when a crisis event occurs.

基本施策4

防犯·交通安全対策

地域の防犯体制の充実と住民の防犯意識の醸成を図り、 自主防犯活動の強化と防犯対策の拡充を進めています。 また、交通安全対策活動の継続的な実施と安全施設の設 備拡充により、安全・安心なまちづくりに努めます。

Basic Measure 4 Crime Prevention and Traffic Safety Measures

We are working to improve the local crime prevention system and increased awareness of crime prevention among our residents. We are also promoting voluntary crime prevention activities and the expansion of crime prevention measures. In addition, we will strive to create a safe and secure town by continuously implementing traffic safety measures and expanding safety within our facilities.

Basic Goal 4 Town Development for Safe Living

Protecting the Safety of Residents via Environmental Sanitation and Disaster Prevention

We are working on environmental sanitation and disaster prevention measures to protect the safety and security of our townspeople. The measures can be broadly divided into four categories: "Waste Disposal Measures" for waste reduction and recycling, "Strengthening Firefighting and First Aid Systems" for fire prevention, and "Enhancement of Disaster Prevention Awareness" for our townspeople. We are also promoting "Disaster Prevention/Mitigation Measures and Crisis Management", as well as other "Crime Prevention and Traffic Safety Measures".

農林・畜産業の振興

AIやICTを活用したスマート農業の推進と農家指導を行 い、地元特産品の開発や農畜産業の振興に努めます。ま た、森林などの資源の保全、循環型農業を着実に実施する 一方、担い手の育成にも注力します。

Basic Measure 1 Promotion of Agriculture, Forestry and Livestock Industries

Utilizing smart agriculture through AI and ICT, we will provide our farmers with guidance and strive to develop local specialty products while promoting agriculture and livestock industries. Furthermore, while steadily implementing a circular form of agriculture we will also focus on training its bearers

基本施策3

商工業の振興

ホテル等の企業誘致を積極的に行い、通過型観光から滞 在型観光への移行を図ります。また地場産業の育成など 支援制度の拡充に努めます。

Basic Measure 3 **Promotion of Commerce Industry**

We will actively attract businesses such as hotels, to attempt a shift to extended-stay tourism from transit-type tourism. We will also strive to expand our measures of assistance such as the development of local industries

基本施策5

雇用対策の推進

町民の雇用の創出に努め、就職相談や就職に必要な技能・ 資格の取得、中小企業への支援制度の斡旋などを行い、就 業意識の向上を推進します。合わせて中長期的な雇用対 策・人材育成に向けた体制の構築を図ります。

Rasic Weasure 5

Promotion of Employment Measures

We will strive to create employment opportunities for our townspeople by providing job consultations, assistance in acquiring skills and qualifications necessary for employment, and support systems for small and medium-sized businesses, while promoting worker employment awareness. At the same time, we will work to build a system for medium to long-term employment measures and human resource development.

Town Development Towards a Vibrant Industry

Supporting Town "Jobs" to Stimulate Our Industry

Supporting all kinds of "Jobs" in the town is the source of vitality for the town. We will promote our local industry in agriculture, forestry, livestock and fishery, utilizing the characteristics of our region. At the same time, we will create attractive tourist destinations to accommodate diverse needs while implementing employment measures to promote the industry and contribute to a vibrant town development.

町民と創るまちづくり

まちづくりに必要な行政情報の公開を、あらゆる媒体を活用し積極的に取り組むことで、町民の意識の高揚を図り、各種計画やプロジェクトなどの立案に町民の参画を促します。また、町民の意見や課題等を施策に反映できる体制を構築し、地域の実情に即したまちづくりを展開する一方、地域コミュニティで活躍できるリーダーや担い手を育成します。

Basic Measure 1 Town Development with the Townspeople

By actively working to disclose administrative information necessary for town development using all available forms of media, we aim to raise the awareness of townspeople and encourage local participation in the adoption of various plans and town projects. In addition, we will build a system that can reflect the opinions and issues of the townspeople in our measures, foster town development in line with actual situations of each region and develop leaders and participants who can play an active role in the local community.

基本施策2

行政運営の確立

分散した役場機能を集約できるよう庁舎の整備を進め、効率的な行政運営ができるよう、事務作業の整理に努めながら、委託が適当と思われる事務事業については積極的に民間委託を進めます。そして組織改善や人材育成も推進し、良質な行政サービスの提供を目指します。また、公共施設の整備や維持管理についても適宜整理を行います。

Basic Measure 2 Establishment of Administrative Management

We will proceed with consolidating government buildings so that dispersed offices and there functions can be merged. While striving to organize administrative work so that operations can be performed more efficiently, we will actively outsource administrative work that is deemed appropriate to the private sector. We will also promote organizational improvement and human resource development and aim to provide high-quality administrative services. In addition, we will apply maintenance efforts to maintain our public facilities as deemed necessary.

基本施策3

財政運営の確立

地域開発やまちづくりの行政需要は増大の傾向にあります。財源確保のために支出抑制に努め、地方交付税、国や県の補助金の有効活用を図ります。また、町税などの自主財源の確保にも努め、ネーミングライツの導入やふるさと納税、企業誘致の推進による経済効果の向上等、新たな財源確保も進めながら長期的な健全財政の維持確保を目指します。

Basic Measure 3 Establishing Financial Management

Administrative demand for regional and community development is on the rise. In order to secure financial resources, we will strive to curb expenditures and make effective use of local tax allocation as well as national and prefectural subsidies. In addition, we will strive to secure independent revenue sources such as town taxes and aim to maintain and secure long-term sound finances while promoting the introduction of naming rights, hometown tax, and improving local economy via attraction of enterprises.

Basic Goal 6 Building an Attractive Community Together

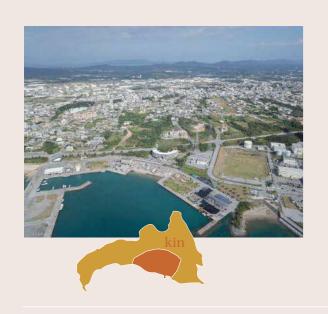

Community Development in Unison with People and Government

It is indispensable to establish firm administrative finance to support town development. While striving to actively disclose information, we will establish a system of "collaborative town development" in which the townspeople and the government are united, and work on building an organization and human resource development that can provide efficient administrative management and high-quality administrative services. In addition to securing financial resources, we aim for efficient and sound financial management.
