

“Officer safety is increased through consistent and professional drills, together with an adequate training infrastructure” — Chief Frederickson.

Public Safety cannot rest on the shoulders of law enforcement agencies alone. As much as we need the police, they need our support as well. Please join us by contributing as generously as you can. The police are the crucial link in the nation’s system of crime control and the local agency of government on duty 24 hours a day to protect lives, homes, and property. Everywhere in the nation, police are the catalyst for community crime prevention efforts.

STRONGER SHIELD

The Yarmouth Police Foundation is launching **STRONGER SHIELD**, a capital campaign to establish an officer training complex at the Yarmouth Police headquarters in West Yarmouth, MA.

The facility would be the first of its kind on Cape Cod enabling law enforcement officers and K-9 teams to train in realistic environments in a dedicated/secure outdoor area behind Yarmouth Police Department headquarters.

The complex will be named the **Sgt. Sean M. Gannon K-9/Police Officer Training Facility**, and dedicated in honor of Sgt. Sean Gannon who was murdered in the line of duty on April 12, 2018 while serving an arrest warrant in the Town of Barnstable.

Sergeant Gannon was an eight-year veteran of YPD. He was also a part of the Emergency Management Unit, a part-time member of the Proactive Anti-Crime Team, and was the first K-9 narcotics officer for YPD. Gannon’s canine partner, Nero, was also shot and has recovered from his wounds. Sean Gannon was posthumously promoted to Sergeant.

Dear Friends,

We are pleased to share with you an exciting opportunity.
